

ORANGE

- High protein level
- Contains paprika and astaxanthin
- Includes a prebiotic fibre, inulin
- With organic acids and krill
- With **BIO-MOS**[®] (mannan-oligosaccharide)
- With **FORPLUS**[™] (omega-3 rich algae)

COMPOSITION:

Analyses (%)		Size:
Protein	45%	1.5 mm
Fat	7%	3.0 mm
Crude fibre	2,8%	6.0 mm
Ash	8,4%	
Astaxanthin (mg/kg)	10	

Vitamins added	
Vitamin A (IE/kg)	25.966
Vitamin D (IE/kg)	2.533
Vitamin E (mg/kg)	405
Vitamin C (stable) (mg/kg)	485

The values of the nutrients and vitamins are from the time of writing. These values can vary due to natural variation in the ingredients. We reserve the right to change our recipes. For the exact values we refer to the label.

PERFECT FOR FEEDING ALL KOI:

APPLICATION:

Our Orange is a premium grower for koi with carotenoids for colour intensification. This diet contains krill meal to make it extra attractive for koi and stimulates a good feed intake.

It also contains inulin and **BIO-MOS**[®]. Inulin serves as a food source for the positive micro flora in the gut. **BIO-MOS**[®] binds opportunistic bacteria and optimizes digestive function. This supports a good intestinal balance.

* Feed 2-4 times per day depending on fish size and water temperature and no more than the koi eat within 5 minutes. Remove uneaten feed from the pond in case of overfeeding. At water temperatures below 10 °C koi have a reduced appetite and slow digestion, therefore feed accordingly. Don't feed koi if the water temperature is below 5 °C.
